

# Predator Control Field Day

**Friday 20<sup>th</sup> June – gates open 8.30am and close 4pm**  
**Mitchell Showgrounds, Alice St**

This field day will be a “one stop predator control shop” where you will have the opportunity to look at the different control methods available and talk to the experts about these products.

*Come along and see products and displays such as:*

- Fence types - Waratah, Clipex, Southern Wire, Westonfence, Speedrite/Tru-Test & Gallagher
- Baits - Pak National, Animal Control Technologies Australia (ACTA) & CSSP
- Trap types - Western Trapping Supplies, Get Trapped & Professional Trapping Supplies
- Remote cameras / Visual equipment - Outdoor Cameras Australia & Extravision
- Fence construction machines - Dingo Australia
- Pig baiting stations – ACTA
- Others – Australian Wool Innovation, Biosecurity Queensland, AgForce, Landmark, Queensland Murray Darling Committee (QMDC), Maranoa Wild Dog Management Advisory Committee, Maranoa Regional Council and Samios Trading

## **Predator control information sessions**

*(in the main shed with the canteen)*

*9 am – Exclusion fencing*

*10 am – Managing total grazing pressure*

*10.30 am – Pig control*

*11 am – Guardian animals*

*12:30 pm – Lunch*

*1.30 pm – QMDC Conservation Detector Dog Demonstration*

*Listen to fellow producers and industry experts talk about their experiences with predator control.*

**To register by the 9<sup>th</sup> June visit [www.leadingsheep.com.au](http://www.leadingsheep.com.au)**

**Food and drinks will be available to purchase throughout the day.**
