

You are invited to...

EDGE^{network}[®] – Nutrition EDGE

Nutrition as a business strategy

Longreach, 6-8 May

Presented by Désirée Jackson

The Nutrition EDGE package is tailored for your conditions and enterprise management. It is designed to equip you to make decisions that ultimately help to achieve your herd performance targets through improved breeder fertility, weight gains, optimal use of supplements and overall management.

During the workshop you will:

- Better understand the nutritional requirements of your cattle and sheep
- Be able to estimate the feed value of pasture and estimate animal production
- Know what supplements to feed
- Understand a feed label
- Save money on supplementary and drought feeding
- Make better management decisions for a range of seasonal conditions

The workshop package includes:

- Three-day workshop (with a field session)
- Follow-up day (approximately 4–8 months later)
- Workshop notes and reference material
- Morning teas, afternoon teas and lunches

The workshop uses an interactive style and builds on participants' knowledge.

For more information and to register:

For further enquiries and or to register, please contact the workshop presenter, Désirée Jackson on 0409 062 692 or desireejackson@bigpond.com.

Désirée Jackson
Livestock Management
Nutrition, Reproduction and Management Performance

Workshop topics:

- Digestive system of ruminants and use of nutrients, intake and production
- Pasture growth and quality, and indicators and factors that affect them
- Grazing management and animal performance
- How to manage supply of nutrients from pasture to grazing animals
- Identifying mineral and vitamin deficiencies and how to manage for them
- Managing nutritional deficiencies
- Defining targets and options
- Supplementation and associated economics

Individual issues will be addressed during this course.

Previous attendees have said...

"Measuring the quantity and estimating the quality of feed supplies is a vital part of making a profit from livestock. The Nutrition EDGE workshop ensured that I can do this more efficiently, effectively and with better accuracy in the future."

Simon Campbell, "Norwood", Blackall.
