# EDGE<sup>network</sup>® – Nutrition EDGE

Nutrition as a business strategy

**Longreach, 11-13 November**

**Presented by Désirée Jackson**

The Nutrition EDGE package is tailored for your conditions and enterprise management. It is designed to equip you to make decisions that ultimately help to achieve your herd performance targets through improved breeder fertility, weight gains, optimal use of supplements and overall management.

**During the workshop you will:**

- Better understand the nutritional requirements of your cattle and sheep
- Be able to estimate the feed value of pasture and estimate animal production
- Know what supplements to feed
- Understand a feed label
- Save money on supplementary and drought feeding
- Make better management decisions for a range of seasonal conditions

**The workshop package includes:**

- Three-day workshop (with a field session)
- Follow-up day (approximately 4–8 months later)
- Workshop notes and reference material
- Morning teas, afternoon teas and lunches

The workshop uses an interactive style and builds on participants' knowledge.

**For more information and to register:**
