We'd be delighted if you could attend.

## **Doug Avery - Beyond Reasonable Drought**

After successive and prolonged droughts, Doug had all but given up. It got that bad he used to hate going outside. Yet the same droughts that took him to the edge of despair also forced him to look for alternatives.

## **Dennis Hoiberg**

Dennis is one of Australia's most sought after speakers in emotional resilience having over 30 years experience. Dennis has been an integral part of the recovery programs during the Vic Bush Fires and QLD Floods.
