

Business Performance: Know your numbers, leverage your potential

Jundah: Tuesday 2nd of August

9am start – close by 5 pm

\$50 per business

The drought is still with us, but even in adversity opportunities arise.

The key to business recovery is to “make the most of every resource you have”....

- Take a closer look at your business, find the hidden potential.
- Calculate gross margins and assess your forward plan.
- Calculate and assess trends and ratios
- Prepare a business case to share with financiers and funders.

Presented by Peter Whip, PRW Agribusiness.

Seats are limited.
